

Ministry of Higher Education and Scientific Research – University of Diyala
Faculty of Agriculture, Department of Animal Production

First: personal data

Full name and surname	Saleh Hassan Jassim Mohammed	University of	Diyala	Mobile	07707899251
date of birth	1/7/1956	college of	Agriculture	E-mail	Salihhassan@uodiyala.edu.iq
Social status	Widower	Department of	Animal Production		

:Secondly: Qualifications

qualification	date	Specialization	university and college
Bachelor's degree	1980	animal production	University of Baghdad College of Agriculture
Masters	1984	animal production	University of Baghdad College of Agriculture
PhD	2011	animal production	Mosul University College of Agriculture

Third: The scientific title:

Degree	The date of obtaining the title
assistant teacher	1980
Teacher	2004
Assistant Professor	2011
Mr	2018

Fourth: Administrative tasks assigned to him:

	Administrative tasks	Date
1	Rapporteur of the Department of Animal Production / University of Diyala	2004-2007
2	Head of animal production department	2012-2013

Fifth: Committees in which he participated:

	Committee name	position	Committee working period
١	Postgraduate Studies	member	12/2/2012
٢	Examination Committee of	the head of committee	5/11/2012
٣	Postgraduate Thesis	member	10/18/2015
4	Curriculum Development	member	2016
5	The Scientific Promotions	member	12/3/2014
6	Educational Committee for	member	9/13/2015
7	Graduation Research	member	9/13/2015
8	Supervising Committee for	member	31/5/2016
9	The Reception and	member	3-4/12/2013
10	Security Follow-up	member	3-4/12/2013
11	Direct Sale Commission for	the head of committee	24/7/2012
12	Scientific Committee in the	Committee member and rapporteur	17/6/2013
13	Committee for checking the	member	9/8/2015
14	Committee for Data	member	8/1/2016
15	Wool Destruction	the head of committee	2/16/2015
16	Higher Education Fund	member	10/10/2012

Sixthly: Posts in which the member participated in the service of the university and the community

	title	Post type	Period
1	Head of the discussion committee for the master's student, Ali Rafe Abdul Sattar	President	3/22/2016
2	Member of the discussion committee for the master's student, Ali Jalil Ibrahim	member	12/22/2015
3	Member of the discussion committee for the master's student, Thaer Abdullah Khalil	member	24/2/2016
4	Member of the discussion committee for the master's student, Yasmine Khaldoun Hamid	member	11/13/2015
5	Head of the discussion committee for the master's student, Esraa Aboud Hussein	President	2016
6	Supervising four postgraduate students to study for a master's degree	Supervisor	2014 – 2017
7	Evaluation of scientific research entitled (Studying the productive performance of three veins of Japanese	rectifier	14/1/2016
8	Research evaluation for scientific promotion to the rank of teacher	rectifier	26/6/2015
9	Evaluation of scientific research entitled (Some factors affecting growth characteristics and milk	rectifier	2/4/2014
10	Evaluation of scientific research entitled (Factors Predisposing to Death in Pneumonia among Holsteins	rectifier	27/5/2013
11	Evaluation of scientific promotion research for the College of Agriculture, University of Baghdad,	rectifier	26/6/2016
12	Evaluation of a scientific research entitled (The effect of the sex of the parents, the type of birth and their	rectifier	15/9/2013
13	Research evaluation for scientific promotion to the rank of assistant professor	rectifier	20/8/2013
14	Dispatch to Tikrit University	Master student	10/16/2016
15th	Dispatch to the College of Agriculture and Forestry, University of Mosul	participant	6/12/2012

Seventh: Scientific Activities:

Masters and PhD:

Master's thesis title	Effect of adding different levels of sodium fluoride on some productive traits of laying hens mothers
PhD thesis title	The effect of mixing local and imported Shami goats on some productive traits

Scientific production (published / accepted for publication):

	Researchers' names	Search Name	place of publication
1	Saleh Hassan Jassim	Genetic analysis of milk production and length of milk season for Shami goats under semi-intensive breeding conditions and central Iraq	Basra Journal of Agricultural Sciences
2	Saleh Hassan Jassim	Genetic persistence on milk production in local and Shami goats under semi-intensive breeding conditions	Diyala Journal of Agricultural Sciences
3	Saleh Hassan Jassim	The effect of adding a vitamin C in some biochemical parameters in local and Turkish Awassi ewes during summer and autumn	Al-Rafidain Journal of Agricultural Sciences
5	Saleh Hassan Jassim	Study of some physical characteristics of wool in local and Turkish Awassi sheep under breeding conditions in barns .	Diyala Journal of Agricultural Sciences

6	Saleh Hassan Jassim	Study of the effect of body weight at sexual maturity of Awassi weeds on some characteristics of the carcass and the development of ovarian follicles	Diyala Journal of Agricultural Sciences
7	Saleh Hassan Jassim	EFFECT OF VITAMIN C ADMINISTRATION ON HEAT TOLERANCE OF LOCAL AND TURKISH AWASSI SHEEP IN DIYALA PROVINCE OF IRAQ	Journal of Veterinary Medicine, University of Basra
٧	Saleh Hassan Jassim	EFFECT OF VITAMIN C ADMINISTRATION ON HEAT TOLERANCE OF LOCAL AND TURKISH AWASSI SHEEP IN DIYALA PROVINCE OF IRAQ	Journal of Veterinary Medicine, University of Basra
8	Saleh Hassan Jassim	Estimation of genetic parameters and some non-genetic factors for milk production and its components in local and Shami goats in central Iraq	Diyala Journal of Agricultural Sciences
٩	Saleh Hassan Jassim	ESTIMATION OF GENETIC VARIANCE USING DATA OF DGAT1 GENE IN HOLSTEIN CATTLE	plantarchives
١٠	Saleh Hassan Jassim	ESTIMATION OF GENETIC VARIANCE USING DATA OF STEAROYLCOA DESATURASE (SCD1) GENE IN HOLSTEIN CATTLE	plantarchives
١١	Saleh Hassan Jassim	GENETIC POLYMORPHISM IN HSP90AA1 GENE AND ASSOCIATED WITH THE HEATTOLERANCE COEFFICIENT IN HOLSTEIN COWS AT SOUTH OF IRAQ	plantarchives
١٢	Saleh Hassan Jassim	Evaluation of breeding values for Bulls reproductive traits according to progeny performance	Biochemical and Cellular Archives
١٣	Saleh Hassan Jassim	GENETIC POLYMORPHISMS OF HEAT SHOCK PROTEIN GENE (HSP90AA1) AND ASSOCIATION WITH CHARACTERISTICS OF HEAT TOLERANCE IN BULLS	Biochemical and Cellular Archives

Courses Taught by him:

	Course Name	stage
1	Principles of Statistics	first
2	Animal breeding and improvement	third
3	Advanced animal breeding and improvement	Postgraduate
4	English language	Postgraduate
5	Design and analysis of practical experiments	Postgraduate
6	Quantitative inheritance is practical	Postgraduate

Supervising master's and doctoral theses

	Master's	student's name	Title
1	Master's	Tamara Hussein Ali	Estimation of genetic parameters of some productive and reproductive traits of Awassi ewes
2	Master's	Zainab Sami Khalil	Effect of capacazine and beta-lactocholine genes on milk production and fat-protein ratio in Shami and local goats.
3	Master's	Maytham Thamer Saleh	Effect of heat shock gene on some semen traits in artificial insemination bulls
4	Master's	Saja Salem	Estimation of some genetic and hereditary factors for some productive and reproductive traits of Holstein cows in central Iraq
5	Master's	Khaled Adnan	Genetic Polymorphism in Hsp90aa1 Gene and Associated With the Heat Tolerance Coefficient in Holstein Cows at South of Iraq
6	Higher Diploma	Karam Hussein Alloun	Analyzing the correlation between the multiple phenotypes of a gene) SCD) and milk production and some of its components in cows
7	Master's	in the name of Mahmoud	And its effect on some productive and reproductive traits in Holstein cowsDGTA1 Genetic Diversity

Membership in scientific societies :

	Association name	Assembly headquarters	Membership type
1	animal production sciences association	Baghdad	Associate member
2	Poultry Science Association	Baghdad	Associate member

training courses :

	Course name	Place	The date of the meeting
1	Animal production between reality and ambition	College of Agriculture, University of Diyala	2015

Conferences, seminars and workshops:

	Activity name	Place	The date of the meeting
1	The Third Scientific Conference for Livestock Sciences at the College of Agriculture, University of Mosul	College of Agriculture, University of Mosul	13-14/11/2012
2	Production and breeding of milk cows between reality and ambition	College of Agriculture, University of Diyala	5/22/2013
3	The second scientific conference for agricultural research	College of Agriculture, University of Diyala	3-4/12/2013

Other scientific achievements and activities (authored books, patents, translated books, assistant books, scientific articles, etc):

	Achievement name	The number and date of the order to be completed	Achievement details
١	A book of thanks and appreciation	On 16/6/2013 9247	The period of assuming the presidency of the livestock department
٢	A book of thanks and appreciation	On 05/30/2013	Make room for others to take over the university's residential houses
٣	A book of thanks and appreciation	On 9/21/2015 174	Lectures are free of charge
٤	A book of thanks and appreciation	On 12/31/2014	Dedication and completion of assigned work during 2014
٥	A book of thanks and appreciation	On 05/22/2013 818	The success of the scientific symposium in the Department of Livestock (Production and breeding of milk cows between reality and ambition)
٦	A book of thanks and appreciation	On 09/17/2015 1719	The success of the scientific conference of the College of Agriculture (the Fifth Scientific Conference of the Poultry Association)
٧	A book of thanks and appreciation	On 12/16/2013 2052	The success of the second scientific conference for agricultural research held at the Faculty of Agriculture for the period from 3-4/12/2013
٨	A book of thanks and appreciation	On 10/14/2012	Participation in research in the third scientific conference for livestock research at the College of Agriculture and Forestry, University of Mosul
