

Ministry of Higher Education and Scientific Research _ Diyala University
College of Agriculture / Department of
Curriculum Vitae of a faculty member

First: Personal Information

Full name	Ammar talib dhiab Saleh AL- TEMEMY	Phone Number	07902802684
DOB	27-11-1978	Email Address	ammartaltememy@uodiyala.edu.iq
Certificate	Doctorate	Scientific Title	Professor
Marital status	married	Department	Animal Production
The number and date of the appointment order	81 TO 2006/1/4	Service in the Ministry of Higher Education	17 Years
Residence	Diyala / Baquba		

Second: Qualifications

qualification	University order number and date	Specialization	University and college
BSC	2001/6/30	Animal source	Baghdad University/ College of Agriculture
Masters	6573 TO 2004/5/12	Poultry Nutrition	Baghdad University/ College of Agriculture
PhD	4004 TO 2012/8/14	Poultry Management	Baghdad University/ College of Agriculture

Third: Scientific Activities: Master's and Doctoral Degrees

Title of Master Thesis	COMPARATIVE STUDY OF THE EFFECT OF USING ZINC-BACITRACIN AND LOCALLY PROBIOTIC AS GROWTH PROMOTERS ON BROILER PERFORMANCE
Title of PHD Thesis	Acomparative study for the effect of Different levels of soluble probiotic and symbiotic on the performance of Laying hens

Fourth: The scientific title

Degree	The number and date of the university order to obtain the title
assistant teacher	81TO 2006/1/4
teacher	4004 TO 2012/8/14
Assistant Professor	411 TO 2015/8/16
Prof.	14192 TO 2020/8/16

Fifth: Administrative Tasks

No.	The Administrative Tasks Assigned to You	Period
1	Officer, Division of Missions and Cultural Relations	2015-2016
2	Secretary of the college Council	2016-2017
3	Head of Department	2017- 2021
4		
5		

Sixth: Number of Committees in Which You Participated :

Committee term	tasks of the Committee	position	Committee name	N
2013	Inclusion and auditing of department students' grades in the Master Sheet	member	Examination committee	1
2015	Destroy all letters and treatises that glorify the former regime	BOSS	Committee to destroy messages and treatises that glorify the former regime	2
2015	Supervising and discussing students' graduation research	member	Committee to supervise student graduation research	3
2014	Familiarizing students and professors with their rights and duties towards the college and university	BOSS	Human Rights Committee	4
2015	Collecting donations from college professors and sending them to the Orphans Support Fund through the university	BOSS	Committee to support the orphan fund in the college	5
2015	Checking the inference of research submitted for promotion	member	Upgrading Research Committee	6
2014	To review educational curricula in the corresponding colleges and ensure their conformity	member	Peer Review Committee	7

2014	Work on distributing textbooks to students at all stages	BOSS	Free education committee in the department	8
2014-2013	Receiving and examining laboratory materials and equipment that are purchased by the Purchasing Committee	BOSS	Committee for receiving materials and equipment in the college	9
2015-2014	Responsible for grades of the second stage. Enter grades in the master sheet	member	Examination committee	10
2016-2015	Responsible for grades of the second stage. Enter grades in the master sheet	member	Examination committee	11
2016-2015	Responsible for setting questions for poultry management course	member	Committee to set competitive exam questions for master's students	12
2017-2016	Responsible for setting questions for poultry management course	member	Committee to set competitive exam questions for master's	13
2018-2017	Responsible for setting questions for poultry management course	member	Committee to set competitive exam questions for master's	14
2018-2017	Responsible for entering grades and checking the master sheet for all stages	BOSS	Examination committee	15
2018-2017	Responsible for entering grades and checking the master's sheet for master's students in the department	BOSS	Examination committee for postgraduate studies in the department	16
2019-2018	Responsible for setting questions for poultry management course	member	Committee to set competitive exam questions for master's	17
2019-2018	Responsible for entering grades and checking the master sheet for all stages	BOSS	Examination committee	18

2019-2018	Responsible for entering grades and checking the master's sheet for master's students in the department	BOSS	Examination committee for postgraduate studies in the department	19
2018-2017	Responsible for what concerns students in terms of courses, supervision and discussion committees	BOSS	Department Graduate Studies Committee	20
2019-2018	Responsible for what concerns students in terms of courses, supervision and discussion committees	BOSS	Department Graduate Studies Committee	21
2020-2019	Responsible for setting questions for poultry management course	member	Committee to set competitive exam questions for master's	22
2020-2019	Responsible for entering grades and checking the master sheet for all stages	BOSS	Examination committee	23
2020-2019	Responsible for entering grades and checking the master's sheet for master's students in the department	BOSS	Examination committee for postgraduate studies in the department	24
2020-2019	Responsible for entering grades and checking the master's sheet for master's students in the department	BOSS	Department Graduate Studies Committee	25
2021-2020	Responsible for setting questions for poultry management course	member	Committee to set competitive exam questions for master's	26
2021-2020	Responsible for entering grades and checking the master sheet for all stages	BOSS	Examination committee	27
2021-2020	Responsible for entering grades and checking the master's sheet for master's students in the department	BOSS	Examination committee for postgraduate studies in the department	28

2021-2020	Responsible for what concerns students in terms of courses, supervision and discussion committees	BOSS	Department Graduate Studies Committee	29
2022-2021	All scientific matters pertaining to the department	member	The scientific committee of the department	30
2023-2022	All scientific matters pertaining to the department	member	The scientific committee of the department	31
2023-2022	Responsible for what concerns students in terms of courses, supervision and discussion committees	BOSS	Department Graduate Studies Committee	32
2023-2016	Discussing student graduation research for the fourth stage	BOSS	Graduation research discussion committee for students	33
2022-2021	To meet with students (the third stage) periodically and help them solve the problems they face during their studies	BOSS	Educational supervision committee	34
2023-2022	To meet with students (the third stage) periodically and help them solve the problems they face during their studies	BOSS	Educational supervision committee	35

Seventh: Member's Participation of the University and Community Service

No.	Participation Name	Participation Type	Period
1	Seminar on Human Rights	Boss	2014
2	Virtual Library Seminar and Method of Use	Presence	2015

3	Harmonization of the outputs of higher education and the labor market	Presence	2015
4	Integrity and ethics of the university professor	Presence	2017
5	Participate in all seminars, courses, workshops and panel discussions held by the department	Supervisor	2018-2017
6	Participate in all seminars, courses, workshops and panel discussions held by the department	Supervisor	2018-2019
7	Participate in all seminars, courses, workshops and panel discussions held by the department	Supervisor	2019-2020
8	Participate in all seminars, courses, workshops and panel discussions held by the department	Supervisor	2020-2021
9	Participate in all seminars, courses, workshops and panel discussions held by the department	Presence	2021-2022
10	Member of the Preparatory Committee for the first international conference	member	2018-2019
11	Member of the scientific committee of the second international conference held by the college	member	2020-2021

12	A member of many discussion committees for master's and doctoral degrees in the faculties of agriculture in various Iraqi universities	member and Boos	2015-2022
13	Scientific evaluation of many master's theses and doctoral dissertations for various colleges of agriculture in Iraqi universities	scientific resident	2016-2022
14	Scientific evaluation of many scientific researches for local and international journals	scientific resident	2016-2022
15	Scientific evaluation of several patents sent by the Central Agency for Standardization and Quality Control	scientific resident	2018-2022
16	Member of several comprehensive examination committees for doctoral students in the faculties of agriculture in various Iraqi universities	member	2020-2022

Eighth: Academic production (published/accepted for publication):

N	The names of the researchers	Research Title	Place of publication
1	Faris Abd Ali, Scheherazade Muhammad, Ammar Talib Diab	The effect of adding aspirin in the feed to improve the productive and healthy performance of broiler chicks raised at high density	Journal of Veterinary Medicine
2	Faris Abd Ali, Scheherazade Muhammad, Ammar Talib Diab	Comparing the effect of adding citric acid with zinc pastracine in the proportions of serum proteins of broiler chickens	Karbala Journal of Agricultural Sciences
3	Saad Abd al-Hussein, Shlimon Hanna Jajo, Ammar Talib Dhiab	The effect of adding different levels of the probiotic dissolved in water and the synergistic mixture on the productive and qualitative characteristics of the produced eggs	Karbala Journal of Agricultural Sciences
4	Saad Abd al-Hussein, Shlimon Hanna Jajo, Ammar Talib Dhiab	The effect of adding different levels of the water-soluble probiotic and the synergistic mixture on the productive performance of laying hens and the numbers of coliform and lactobacilli bacteria in the chicken intestine	Poultry Science Journal
5	Ammar Talib Dhiab	Effect of adding two levels of locally manufactured water soluble probiotic on productive performance and egg quality characteristics of Japanese quail females	Diyala Journal of Agricultural Sciences

6	Ammar Talib Dhiab	The effect of adding different levels of the water-soluble probiotic and the synergistic mixture on the chemical composition of eggs produced from brown Lohmann chickens	Jordanian Journal of Agricultural Sciences
7	Murad Muhammad al-Fadhli, Raad Razuqi, Ammar Talib Dhiab	Adding different levels of sesame oil to the diet and its effect on serum lipids	Diyala Journal of Agricultural Sciences
8	Ammar Talib Dhiab	Addition of two types of organic acids and their mixture to the diet and their effect on productive performance and carcass characteristics of broiler roses type 308	Basra Journal of Agricultural Sciences
9	Ammar Talib Dhiab, Muhammad Adel Hassan	The effect of adding the two organic acids, lactic acid and acetic acid, on the productive performance of laying hens.	Diyala Journal of Agricultural Sciences
10	Ammar Talib Dhiab, Muhammad Adel Hassan	The effect of adding the two organic acids, lactic acid and acetic acid, on the egg quality characteristics of laying hens	Basra Journal of Agricultural Sciences
11	Ammar Talib Dhiab, Ali Salih Hassan	Adding Ginkgo biloba leaf extract to the diet as an antioxidant and studying its effect on carcass traits and immune performance of Ross 308 broilers	Texas Journal of Agriculture and Biological Sciences
12	Ammar Talib Dhiab, Ali Jabbar Ali	effect of adding artichoke (<i>Cynara scolymus</i> L.) extract to the water or the diet on the production performance and physiological traits of broilers	Texas Journal of Agriculture and Biological Sciences

13	Ammar Talib Dhiab, Muhammad Sabih Salman	Effect of Dried Kefir Milk on the Productive Performance of the Brown Lohmann Laying Hens	Diyala Agricultural Sciences Journal
13	Ammar Talib Dhiab, Muhammad Sabih Salman	Adding of Dried Kefir Milk on the diet and effect Of Egg Quality in the Brown Lohmann Laying Hens	Alforat Agricultural Sciences Journal
14	Ammar Talib Dhiab, Younis Abbas Khalaf	Effect of Adding Tartaric and Salicylic Acids and Their Mixture to Water and Diet in Egg Quality Characteristics of Aged Laying Hens	Diyala Agricultural Sciences Journal
15	Ammar Talib Dhiab, Basem Abboud Abbas, Bilal Talke Abdel Wahhab	STUDY OF THE LOCATION OF BIRDS INSIDE THE BREEDING HALL OF BROILERS ROSE 308 AND ITS EFFECT ON ENVIRONMENTAL CONDITIONS USING A DOCUMENTED DATA SYSTEM	Plant Archives (Scopus)
17	Ammar Talib Dhiab, Ali Hadi Muhammad	EFFECT OF ADDING DIFFERENT LEVELS OF GREEN TEA POWDER (CAMELLIA SINENSIS) AS ANTIOXIDANT TO BROILER DIETS IN PRODUCTION PERFORMANCE	Plant Archives (Scopus)
18	Ammar Talib Dhiab	THE ADDITION OF CITRIC AND LACTIC ACIDS AND THEIR MIXTURE TO THE PRODUCTIVE PERFORMANCE AND EGGS QUALITATIVE TRAITS OF THE LAYING HENS.	Plant Archives (Scopus)
19	Ammar Talib Dhiab, Younis Abbas Khalaf	Effect of Adding Tartaric and Salicylic Acids with Water or Diet on Productive Performance for Aged Laying Hens	Indian Journal of Ecology (Scopus)

20	Ammar Talib Dhiab, Walid Ayoub Karim	Impact of Different Concentrations of Di-Copper Oxide in Diet on Production of Broiler Chicken	Indian Journal of Ecology (Scopus)
21	Ammar Talib Dhiab	Effect of Dried Kefir Milk on the Productive Performance of the Brown Lohmann Laying Hens	Indian Journal of Ecology (Scopus)
22	Ammar Talib Dhiab, Osama Ahmed Latif	ADDING DIFFERENT LEVELS OF GREEN TEA AS ANTIOXIDANT AND EFFECT OF IN CARCASS QUALITY AND INTERIOR GUT WEIGHT IN BROILER CHICKEN	Plant Archives (Scopus)
23	Ammar Talib Dhiab, Ali Salih Hassan	Adding Ginkgo Biloba leaf extract to the diet as an antioxidant and studying its effect on the productive performance of Ross 308 broilers.	Revista Bionatura (Scopus)
24	Ammar Talib Dhiab, Ali Jabbar Ali	Effect of adding Cynara scolymus L. (artichoke) extract to water or diet on the productive performance of broilers.	Revista Bionatura (Scopus)
25	Ammar Talib Dhiab, Salah Mahdi Abd, Nizar Abbas Malik	The effect of adding tartaric acid and salicylic acid on the chemical composition of eggs produced from Lohman chickens	Archives of Razi institut (Scopus)

Ninth: Curriculum Taught

No.	Subject/ Course Name	Stage
1	Principles of Poultry	The First
2	Health of animal products	the second
3	Poultry Nutrition	Fourth
4	Poultry Management	Fourth
5	Poultry diseases	Fourth
6	Advanced Broiler Management	Postgraduate
7	Advanced Layer Management	Postgraduate
8	Poultry health management	Postgraduate

Tenth : Supervision of Masters and PhDs

No.	Master/ PHD	Student's Name	Thesis's Title
1	Master	Mohamed Adel Hassan	Effect of Lactic acid and Acetic acids Supplementation to Laying hens diet in productive performance and count's of Intestinal microflora.
2	Master	Mohamed Sabeeh Salman	Effect of adding different levels of dried kefir milk to diet in production performance, egg quality characteristics and total count in Layer
3	Master	Ali Hadi Mohammed	The effect of adding green tea to the diet on productive performance and some physiological, histological and microbial characteristics of broiler chickens
4	Master	Bilal Natiq Abdulalwahhab	Effect of birds density and rearing location in breeding house on broiler production performance, and comparison of environmental conditions of different sites in house during breeding
5	Master	Walid Ayoub Karim	Effect of adding nanoscale copper dioxide to broiler diet and breeding density on productive performance and some physiological traits.
6	Master	Yunus Abbas Khalaf	Effect of adding tartaric and salicylic acid to water or diet on productive performance and balance of the intestinal flora of aged laying hens.
7	Master	Ali Saleh Hassan	The effect of adding Ginkgo biloba leaf powder to the diet on the productive and physiological performance of broiler chickens.
8	Master	Ali Jabbar Ali	Effect of adding Cynara Scolymus L. artichoke leaf powder to drinking water or diet on the productive and physiological performance of broiler chickens

9	Master	Ahmed Talib hasab allah	Addition of sodium citrate to water and its effect on productive performance and some histological and microbial characteristics of broiler chickens raised at different densities
----------	---------------	--------------------------------	---

Eleventh: Membership in Scientific Associations

No.	Association Name	Association Headquarters	Membership Type
1	Poultry Science Society	Iraq / Baghdad	member
2	Iraqi Scientific Thesis Journal	Iraq / Baghdad	Editorial board member

Twelfth: Training Courses

No.	Training Course Name	Reconvened place	Reconvened Date
1	How to work on a PCR machine	University of Diyala / college of Medicine	2014

Thirteenth: Conferences, seminars, workshops and panel discussions:

N	activity title	Place convening	The date of the meeting
1	The first conference of the Iraqi Poultry Association	Baghdad University/ College of Agriculture	2009
2	National Agricultural Research Conference of the Ministry of Agriculture	University of Baghdad / Al-Hakim Hall	2011
3	The second conference of the Iraqi Poultry Science Society	Baghdad University/ College of Agriculture	2011
4	Poultry Science Association Conference in the College of Agriculture / Anbar University	Anbar University/ College of Agriculture	2012
5	The Second Scientific Conference for Agricultural Research, College of Agriculture / University of Diyala	Diyala University/ College of Agriculture	2013
6	The first scientific conference for animal production science and technology	Baghdad University/ College of Agriculture	2013

7	Scientific symposium on ostrich breeding in Iraq	Baghdad University/ College of Agriculture	2011
8	Scientific symposium on breeding and improving the reality of camels in Iraq	Baghdad University/ College of Agriculture	2011
9	Scientific symposium on the breeding and development of deer in Iraq	Baghdad University/ College of Agriculture	2011
10	Symposium of the Poultry Science Association to improve the reality of domestic birds in Iraq	Baghdad University/ College of Agriculture	2012
11	A future vision of the reality of forage crops in Iraq	Diyala University/ College of Agriculture	2013
12	Methods of recycling household waste	Diyala University/ College of Agriculture	2013
13	Production and breeding of milk cows in Iraq between reality and ambition	Diyala University/ College of Agriculture	2013
14	Environmental pollution with agricultural chemicals and its biological treatment	Diyala University/ College of Agriculture	2013
15	Concept and use of prebiotic in poultry	Diyala University/ College of Agriculture	2013

16	Alignment between the outputs of higher education and the labor market	Presidency of Diyala University	2014
17	Scientific symposium of the Iraqi Poultry Science Society	Diyala University/ College of Agriculture	2014
18	Human rights seminar	Diyala University/ College of Agriculture	2014
19	Seminar on the virtual library and how to use it	Diyala University/ College of Agriculture	2014
20	Symposium obstacles to breeding ruminants in Diyala	Diyala University/ College of Agriculture	2015
21	A panel discussion entitled (A future view of the role of researchers in the College of Agriculture and other colleges in solving the problems of the agricultural sector in Diyala Governorate)	Diyala University/ College of Agriculture	2015
22	Symposium on the future of energy and agriculture in Iraq 2030	Diyala University/ College of Agriculture	2015
23	A panel discussion entitled (Advanced technology to reduce the benefits of spraying in the agrochemical processing system)	Diyala University/ College of Agriculture	2016
24	Workshop (the mechanism of the national card and how to grant it the standards that are adopted to generate the family and national number)	Diyala University/ College of Agriculture	2016

25	Panel discussion (biological control of insects)	Diyala University/ College of Agriculture	2016
26	Panel discussion (Using phytase enzyme in poultry feed)	Diyala University/ College of Agriculture	2017
27	Seminar (Chemical pollution of soil and its impact on environmental pollution and human health, methods and results)	Diyala University/ College of Agriculture	2017
28	Panel discussion (the importance of the participation of the College of Agriculture - University of Diyala in the agricultural exhibition in the Turkish city of Bursa)	Diyala University/ College of Agriculture	2017
29	Seminar (mechanization of fodder harvesting and harvest treatment)	Diyala University/ College of Agriculture	2017
30	Episode (economic and statistical analysis of the fluctuation of cow milk prices in Iraq for the period 1990-2015)	Diyala University/ College of Agriculture	2017
31	Seminar (care of modern calves)	Diyala University/ College of Agriculture	2017
32	The First International Agricultural Conference of the College of Agriculture	Diyala University/ College of Agriculture	2017
33	Symposium (International Circulation of Cut Flowers and the Art of Dwarfing Ornamental Plants)	Diyala University/ College of Agriculture	2018
34	Episode (Agricultural mushrooms and their nutritional and health value)	Diyala University/ College of Agriculture	2018

35	Workshop (statistical analysis using Excel)	Diyala University/ College of Agriculture	2018
36	Seminar (Poultry Fields Equipment)	Diyala University/ College of Agriculture	2018
37	Seminar (Geographic Information Systems and its agricultural applications)	Diyala University/ College of Agriculture	2018
38	Symposium (dams and irrigation systems techniques)	Diyala University/ College of Agriculture	2018
39	Workshop (overcoming the difficulties of entering the QS classification)	Diyala University/ College of Agriculture	2018
40	Seminar (Toxins in Food)	Diyala University/ College of Agriculture	2019
41	Seminar (genetic resources and how to preserve it)	Diyala University/ College of Agriculture	2019
42	Seminar (the reality of managing agricultural lands scientifically and legally)	Diyala University/ College of Agriculture	2019
43	Seminar (environmental pollution and its impact on human health)	Diyala University/ College of Agriculture	2019
44	Training course (using Google Scholar)	Diyala University/ College of Agriculture	2019
45	Workshop (planning and operation according to the SWAT program)	Diyala University/ College of Agriculture	2019
46	The first student scientific conference for agricultural research	Diyala University/ College of Agriculture	2019
47	Workshop (E-learning blended)	Diyala University/ College of Agriculture	2020
48	A training course (the role of the Mindley program in academic writing for scientific research)	Diyala University/ College of Agriculture	2020

49	Training Course (Modern Technologies in Organic Agriculture and Providing Healthy Food for Humans)	Diyala University/ College of Agriculture	2020
50	Seminar (researchers inquiries for publication in international journals)	Diyala University/ College of Agriculture	2020
51	Training course (construction of plastic greenhouses)	Diyala University/ College of Agriculture	2020
52	Workshop (performance evaluation mechanism)	Diyala University/ College of Agriculture	2020
53	The second international agricultural conference for agricultural research in the college	Diyala University/ College of Agriculture	2020
54	Workshop (the concept of quotation, its types, the percentage of quotation allowed and the difference between it and plagiarism)	Diyala University/ College of Agriculture	2021
55	A panel discussion (the concept of urban (civilian) agriculture and its impact on the environment, society and food)	Diyala University/ College of Agriculture	2021
56	Workshop (How to choose the appropriate statistical analysis of scientific research data)	Diyala University/ College of Agriculture	2021
57	Training course (the role of production systems in improving the production of farm animals)	Diyala University/ College of Agriculture	2021
58	Workshop (Methods of breeding and improving self-pollinating vegetable crops)	Diyala University/ College of Agriculture	2021
59	Seminar (E-learning, its impact and effects)	Diyala University/ College of Agriculture	2021
60	Workshop (The effect of adding turmeric powder in the diet on some productive traits of domestic birds)	Diyala University/ College of Agriculture	2021
61	A training course (chain reaction technique and its role in genetic improvement in farm animals)	Diyala University/ College of Agriculture	2021
62	Training course (how to add published and unpublished research within the Scopus database)	Diyala University/ College of Agriculture	2021

63	Seminar (Solutions to e-learning problems in higher education institutions during the Corona pandemic, the Malaysian experience as a model)	Diyala University/ College of Agriculture	2021
64	Training Course (Buffalo Production Projects)	Presidency of the University / Continuing Education	2021
65	A training course (the uses of GIS application in the study of field crops)	Diyala University/ College of Agriculture	2021
66	Workshop (Explanation of the contents of the form for following up the implementation of the scientific plan of the University of Diyala for the academic year 2020-2021)	Presidency of the university / scientific affairs	2021
67	Workshop (smoking and its health and social impact)	Presidency of the University / Continuing Education	2022
68	Seminar (The relationship between heredity and environmental changes and their role in biological evolution)	Diyala University/ College of Agriculture	2022
69	Symposium (Myostatin Muscle Duplication Gene and its Applications in Improving Agricultural Animals)	Diyala University/ College of Agriculture	2022
70	Symposium on the effect of the photoperiod on the reproductive performance of goats and ways to improve it)	Diyala University/ College of Agriculture	2022
71	Seminar (the role of colostrum in the immunity and nutrition of calves)	Diyala University/ College of Agriculture	2022
72	Training course (agricultural pumps and examples of programming electronic control systems)	Diyala University/ College of Agriculture	2022

Fourteenth: Letters of thanks, appreciation and honors:

I have received more than 70 letters of thanks, appreciation and honors from the ministers of higher education, presidents of universities and deans who have held the positions of the ministry, university and deanship throughout my service in the Ministry of Higher Education of 17 years, in addition to the books of thanks that I got from the deans of the faculties of agriculture of various Iraqi universities as a result of my participation In the master's and doctoral discussion committees and the comprehensive examination committees for doctoral students.

ifteenth : Accomplishes and other scientific activities (books author, patented, translated books, assistant book, scientific articles, etc.)

No.	Accomplish Name	Number and Date Order for accomplish	Accomplish Details
1	Patented	3576 in 22-4-2013	The manufacture of water-soluble Probiotic and its use in reducing diarrhea in young calves and improving the productive performance of Layer
