

Ministry of Higher Education and Scientific Research _ Diyala University
College of Agriculture / Department of
Curriculum Vitae of a faculty member

First: Personal Information

| | | | |
|--------------------|--------------------------------------|-------------------------|-----------------------------------|
| Full name | Elaf Abdul Wahab Shihab Ahmed | Phone Number | |
| DOB | 18/1/1985 | Email Address | elafshihab@uodiyala.edu.iq |
| Certificate | Msc | Scientific Title | Assistent.Lecture |

Second: Scientific Activities: Master's and Doctoral Degrees

| | |
|-------------------------------|---|
| Title of Master Thesis | Study of Recycling Process and Petroleum Properties of Spent Lubricating Oil |
| Title of PhD Thesis | / |

Thied : Number of Committees in Which You Participated :

The Most Important of which:

- 1. Examination Committee**
- 2. Higher Committee for Voluntary Work**
- 3. Chemical Control Committee**

Fourth: Published and Accepted Researches

- 1. Determination of carbon residue ,ash content and concentration of heavy metal in virgin and spent Iraqi lubricating oils .**

Fifth: Curriculum Taught

| No. | Subject/ Course Name | Stage |
|------------|-----------------------------|--------------|
| 1 | Organic chemistry | First |
| 2 | Analytical chemistry | First |
| 3 | Biochemistry | second |

Sixth: Training Courses

| No. | Training Course Name | Reconvened place | Reconvened Date |
|------------|---|---|------------------------|
| 1 | The most important physical properties of used lubricating oil and recycle it | College of Agriculture / University of Diyala | 2022/4/27 |
| 2 | Determination of electronic transitions using ultraviolet spectrometry | College of Agriculture / University of Diyala | 2022/11/8 |
